Ive had a long history of problems with khold. But Crimson herself can not control his actions, only he can, word of advice, dont start shit with him, learn to keep your mouth shut.

For those of you who blame crimson for this shit, Your in the wrong, just the same as khold is for attacking you. SO if your problem is getting attacked by khold, take it up with him. he is NOT n00bstories, just becuase he runs in the n00bstories irc, doesnt make him a rep. for n00bstories.
