some of yah don't know if they want to join a clan

some haven't even thought about it.

But WoQ doesn't care about that, we care about you. we need people from all over the world to apply to join us cause we need you guys!

so stop by at <http://www.thewoqclan.tk/> and introduce yourself and set an application.

Without the gamers and the members, renegade and WoQ wouldn't exist. and guess what, im talking about you. so please keep us alive and strong by stoping by.
