Read. Comprehend.

fl00d3d wrote on Fri, 22 September 2006 16:57I'm not even going to wait for him to take it down. I've already contacted Reyox and they're going to have someone from the legal department contact his father. If he still refused to take it down or modifies it further in any way, I have been assure that they will serve him legal paperwork.
