WE NEED YOU! *points*

We are looking for a talented skinner/texture artist to help work with the Reborn & A Path beyond teams. We have tons of things to do for both mods. If you want to apply, show your us skills. We want serious entries only. If your work isn't upto our standards, forget it. we'd prefer to be honest on that: We are looking for a skilled artist who knows how to use Photoshop or another program capable of saving to PSD with layers.

If you want to apply, write an email to [Renardin\[at\]gmail\[dot\]com](mailto:Renardin[at]gmail[dot]com) , attach some of your works or links to your personal portfolio.
