Hmm.. I thank the Cadet Honour Band - Prairie Region, for this birthday song.

\*Somber tune, sung in a minor key\* || \*"Thump" is simply you hitting your fist or foot against a table or the ground\*

Happy Birthday, \*Thump\*

Happy Birthday, \*Thump\*

People dying everywhere,

Screaming, crying in despair.

Happy Birthday, \*Thump\*

Happy Birthday, \*Thump\*

\*stated, not sung\* You're one year closer to DEATH!
