LOL.

wow its amazing how the info gets around about WoQ.

the main cheater of the clan is the leader himself, he got kicked from TT-Clan for being found out he was cheating in servers, using bh and all this bs. admins in TT did a investigation on him and went undercover with random nicks acting as if they were cheaters and got a hell load of admittance outta him and proof

rofl death u can talk some bs some times, what about that time me and cyril beat your best playas in a 2v3 for 3 matchs? eh ? was a G\_g ey? \*cough\* owned \*cough\*
