JPNOD plays in NoN00bs with Lurker every now and again (but has been off for a few months)

Halo38 wrote on Sat, 24 June 2006 13:24Hmmmmmm speaking of legends... does anyone remember Realnoob, LtPatch, Fearhq, Edwardckw, dosuer57 or UKstyles?
Dosuer57 still plays on the Clanwars.cc league.
Patch is around but doesn't play anymore.
