I voted no for a few reasons:

1. Crimson sheltered him when she liked him, and now she is offering to ban him, which makes me want to see ACK stay just so Crimson doesn't get what she wants both times.
 2. I can't think of anything ACK has done that at least 1 other person hasn't. Why single him out directly?
 3. I can always add him to my ignore list again if he remains a member.
