she's not a good liar. she's made a poll about this before and it was with the same intent, but this time it's "oh he BACKSTABBED ME! NO ONE DOES THAT! I MUST UTTERLY FAIL TO HUMILIATE HIM WITH THIS SHIT TOPIC IN RETALIATION SINCE HE WON'T SUPPORT MY DYSTOPIA OF A REGIME IN RENEGADE"

this topic sucks.

and i still hate that aircraftkiller bastard

vote yes

Just for the record im not taking sides. Over the years you and I have had some arguments, same with me and Crimson. The last cluster of AircraftKiller ban vote was over a year ago and I forgive the things you did to get the topic posted in the first place.

I remember hitting yes on the ban button faster than I would have for a reactor shutdown, but its time to let all that stuff go.
