Apparently if an admin says black is white, it's true because it was stated by the admin... I get it.[/quote]
Erm, ofcourse it is. It's like when you join a server. If the server says that must jump while running and u don't, and they kick-ban you for it, then it is your fault for not following their rules.

By signing up here, u pretty much agree to follow what the admins tell you to do or to go away.
