it seems you completely ignored that, as when i say better, it could just mean less arguments, even if others still do what they do; after all, there is a reason behind this poll; i dont beleive it was randomly created to pick on ACK, and, as it currently stands, more people want him out.

POLL

Permanently ban Aircraftkiller?[94 vote(s)]

1. Yes 51 / 54%
2. No 43 / 46%

Now I know you have absolutely no argument, else you wouldn't be resorting to semantics. It's quite pathetic when you have to resort to splitting hairs.

Statistics don't mean jack shit. Sure, statistically the forums could be "better" with less arguments, but that doesn't make the forums better. In a thread/forum with countless amounts of flaming, one less person isn't going to make a difference. Ever hear the song "Blue on Black"?

Kenny Wayne Shepherd
Blue on black
Tears on a river
Push on shove
Don't mean much
Joker on Jack
Match on a fire
Cold on ice
A dead man's touch
Whisper on a scream
Doesn't mean a thing
