Hope u enjoy ppl. It's called 'Blue' if u like it answer on thred i make.

Never seen a blue sky
Yeah I can feel it reaching out
And moving closer
There's something about blue
Asked myself what it's all for
You know the funny thing about it
I couldn't answer
No I couldn't answer

Things have turned a deeper shade of blue
And images that might be real
May be illusion
Keep flashing off and on
Free
Wanna be free
Gonna be free
And move among the stars
You know they really aren't so far
Feels so free
Gotta know free
Please
Don't wake me from the dream
It's really everything it seemed
I'm so free
No black and white in the blue

Everything is clearer now
Life is just a dream you know
That's never ending
I'm ascending
