Shave your hair, change it to a dark blonde, get rid of those stupid earring things, take my ears and a slightly darker skin and you'll look less like a drug dealer and more like the guy who's secretly banging your super hot girl

haha

lol - What's funny is that I used to have my head shaved in highschool for sports and it was a bit lighter. lol @ "looking like a drug dealer". I might smoke a little weed here and there, but I don't do drugs. Just say no! And I love my earrings. Plan on getting more with my tat. Oh, and my hair is a lot longer now (upper back).
