I would say the main reason we rape WOL clans(not cw.cc players) is they have no teamwork..they run around like headless chickens.

Overall i wouldn't say WOL or GSA being any worse or better than each other(apart from GW and cw.cc)

But i would say GSA clans work more as a team than WOL.

Thats just my opinion..bash as much as you like.

(Flooded, Jimbo has already said he will lead the GSA team)

You could even divide it into;

WOL  
Black Cell  
NoNoobs  
Cw.cc  
GSA  
Renforce?

etc.
