Quote:END OF DISCUSSION. I dont want to talk to you any longer. So dont even bother posting to this because i doubt youll have anything useful to say.

Going back on your word? Talking to me, now? So dishonest of you. Obviously, I must've had something useful to say, since you came running back to sling some pitiful insults at me because you absolutely must get the last word in. If it so pleases you, I'll let you have the last word. But, yeah. I won. You know how I know? Because here you are, even after saying you wouldn't respond anymore. I'm just that irresistible!
