So what if I'm wearing black pants? Can't anybody wear them? And I'm sorry that my hair naturally grows like that.

I just said you've never looked that emo in the picture. I'm not saying you meant to dress that way or that you are emo. It's just that picture makes you look kind of emo.

Well, the "what the hell?" threw me off. It made it seem like you thought I was converting to emo. I seriously have no intention to look like that, and I don't think I look like that in that picture anyways. It was from a video clip (hence the bad quality) and it was caught at maybe 1/1000th of a second. So, if you're wondering if I look like that all the time, I don't. We aren't seeing pictures from our eyes that are being captured at such a minor fraction of a second.

if you really want to see what "emo" looks like, view here at your own risk.

I know that's not what you normally look like, that's just an observation I had. I didn't think you were becoming an emo.

Also, that picture isn't that emo. Looks more punk-emo than anything. I've seen much much much worse.
