Tw34km3 wrote on Sat, 21 October 2006 23:11You must all think your really big? Nad fuck that 10$ per server, its not worth my money. I wasn't expecting any acceptance, nor do I really give a fucking shit. I could care less if I am banned from everything to do with Renegade, I only wanted to appologize to the community and explain myself to maybe show WHY i did it.

SO You can all go fuck yourselves for all i care. Im done with this community for good.
I love predictable people like you.

"I am coming here to apologize, and I hope I can be accepted again."

<insert some negative responses>

"FUCK YOU! I don't need your community. All I did was try to apologize, but fuck this. I'm done."

As far as what you just said about not expecting to be accepted...
Tw34km3I am here to make amends with the community and apologize for my actions in July, I would like to eventually get back into this community (if allowed).
That sure looks like you'd expect it, and if you weren't expecting it, you sure were hoping for it. Don't try to act like an badass like you're better than everyone else. YOU are the one who cheated. YOU are the one who got banned. YOU are the one who created this thread.

As Goztow said, words don't mean anything. If you want to have your apology accepted, you need to do more than just apologize. Criminals don't get off of their crime by apologizing, they have retribution.
