Twice.

Don't bring this up again. The people playing for GSA in that game sucked. They were not an accurate representation of the GSA community and were given little notice to get a REAL team together.

We all know the outcome of the true gsa v wol game - the best skill from both sides: gse vs BR and DoA members...

gse crushed and BR called us all "gay germans" or something of the sort and left after two games. Funny thing is only about 25% of us were german.
