Biggest bump ever, but i dont care

Umm, i just recently got my computer whiped, need a cd crack since i aint spending money.

Any suggestions?

Before i get asked, NO THE GAME IS NOT INSTALLED AT ALL.
Thank you

And, another thing, Djilaptops No-Cd crack says i have to have renguard, but i cant have renguard without renegade.

And if i have to have it installed, anyone have the serial key?
I kinda lost mine.

PM me with it, i dont care i just want to play.
