I failed the Popularity Contest (aka: OML). The students got to vote who got to go next year. They voted out the cadets who could march and pass inspection so their paint ball buddies could come. I hear the battalions not doing so hot this year.

I left high school, despite protests by the staff (high test scores in a school that needed it), and I'm in college now. ROTC was the only reason I was staying in public school, anyhow.

I was a 1st Sergeant up until my withdrawal. Heh. The day my Colonel started advertising his desire to become Sheriff in my neighborhood was the day they kicked me out. No matter. When I'm out of college, I'll be making more money than a retired Master Sergeant, and better yet, not half to listen to a word they say.

"Drop yourself, fag."

PS: Doitle, you look WAY different than I thought you would. So does Crimson. And Blazer. Kozar didn't surprise me, though.
