---

My question is why on earth would TRPM clan have mr.Wiggles play as a troopm guy, named troopm19 when kimveer is troopm19?

Ip address for troopm19 and Mr.Wiggles match.

So why would that be?

Could it be because troopm02 found someone that wanted to beat me, and thought they could. So troopm02 has him where another clanmates tag and play me. Still to come out looking like an idiot.
