troopr02 wrote on Tue, 07 November 2006 10:37 Apparently people believe clans on cw.cc are better, well recently me and troopr07 played a 2vs2 (informal) against c4u in their 500 sniping server. i was beating them, but 07 (who doesnt even play sniping) was weighting me down, although i was personally beating them both. c4ubot and some "Mac" guy played, also i heard that their not the best people from that clan, but still. Quite funny actually, first 2 kills were HS's by me, then they accused me of cheating because "it was an impossible shot at that angle". I got SS's if ya'lls wants to see em..

LOL! you really prove a point well.

I can't play right now because I have coursework due tomorrow but sure will 1v1 and 3v3 you - add me on msn: themexicanpirate@yahoo.com and will give you a shout when I am free.
