NGOD Clan has moved up from being a soley-C&C Clan to being a community. In order to accomadate the rising success, we are creating Factions. Our newest faction is the "Black Hand" Clan. This clan I founded a while ago. (Back when I was known as BHmath.) If you would like membership into our Renegade Faction, please visit our forums here. We are also using these factions as gauges for membership into NGOD Clan (NGOD Studios - NC Studios - for short). Please stop by our forums and check us out.
