I appreciate the other offers of help, however the merovingian has very kindly agreed to make the movie for me. He may appreciate offers of help, i do not know.

One way to help would be to populate the server when he is ready to make the film. I am proposing Thursday 6.00pm GMT for anyone who wants to check out the game mode and also be famous forever and ever in the merovingian's movie

Server host name is renz0rdm2
