idebo wrote on Sat, 11 November 2006 12:47 Why did you rip APB's Ranger?

Because at the time I did not have access to halo's models (if this is going to be a problem I will hold my MOD back a few weeks while I make my own warthog). I also thought it looked good, and its not an exact copy I had to change a lot to get it to work (back gun, back seat, removed some stuff, changed the textures, etc).
