thrash300 wrote on Sun, 19 November 2006 05:51 Their fore the short term memmory will be wiped, along with the flouride that you drink in your water daily, and the tooth paste that you brush your teeth with also contributes to your affected consnsness. Just look up flouride and water.

ROFLHAUSPANCAKES

Red vs. Blue "The Government put a chip in my brain."

"The President can hear my thoughts!"

"We never landed on the sun!"

"They put flouride in the drinking water!"

"Actually, that one's true."

"It is? No wonder I've been listening to so much pop music."
