Dave Anderson is a 16 year troll who thinks he is an absolute legend with visual studio. That's all he is. He doesn't even seem overly skilled, but he is very arrogant over it.

Spelling and grammar aren't that big a thing. Only for idiot elitists like Dave Mason, who happens to be a completely worthless troll. But when thrash tries to educate people about something it's incredibly annoying to trawl through his abortions of the English language.

Just stick to troll, asswiser is just an annoying label.
