Does anybody else get that signiture of him acting this way?

You're an idiot.

What makes you any more enlightened than myself? Is it because you can agree with hair-brained conspiracy theories held together lightly by strings? You have no concrete evidence.

Oh, here's a cool new conspiracy theory I just thought up. Feel free to use it.

As we all know, men (for the most part) are attracted to women. What better way to control men than using the lust that men have for women? Basically hypnotize men by using that allure. The perfect way to do this? Bikinis! Yes, bikinis are a work of the Illuminati. Look at the top and bottom pieces. Triangles! Pyramids are triangular. The strips of cloth used for bikinis are triangular. It makes perfect sense! **TELL THE WOMEN TO CLOTHE THEMSELVES, OR ALL MANKIND IS DOOMED!**

Edit: Oh shit... I'm going to kill DarkDemin for not signing out on my computer...
