Id respond to the posts by DE7 and fl00d3d, but it all old news, and I don't feel like a flamewar atm.

If anyone has any questions about BiO's view on any topic stated in this thread, feel free to PM me in GSA. I am more then capable of defending myself, but somethings are better left unsaid in the public eye.

This thread was about jshultz.....ya he cheated.

Like that's the worst thing he has ever done.....move on.
