IVE GOT IT!

A SURE FIRE WAY TO GET THE CODES! (or killed)

Walk into the office with all the EA reps.

Scream, "GIVE ME THE CODES OR ILL F*CING PULL THE PIN!!!!1!"

Well saying that pull out a live grenade and place you're finger into the thing to pull it out! Than have someone come lock the door so they cant run away and security cant get in! w00t!

Or give them the sad puppy face!
