The reason you haven't heard much from me this trip was because we were VERY busy the entire time. I am putting together a summary of what I'm allowed to talk about.

Regarding the Renegade stuff, we were SO busy that it was difficult to schedule something. The important thing was meeting in person so I'm not some random internet newb to him anymore. We will be having a phone conference tomorrow about the things I wanted to talk with him about instead. Sorry to delay you a bit.
