Free Bots -

BRenBot (Recommended) - www.Brenbot.com

CloudyServ (Comes with hack for activation..)- cs.cloudyonestudios.com

SBot (Never tried it, downloaded it once, worked nice) - Don't know link

NightRegulator (Don't like it personally, its "Free" with Advertisements, pay \$10+ for 200 loads, not worth it) - www.NightRegulator.co.uk
