Cat998 wrote on Thu, 28 December 2006 16:01 why it does not automatically replace <player> and <amount>.

I wrote but now.. i assume that you HAVE to type "!setcash <player> <amount>" and the whole code is not working if you type "!setcash friend1 100"

I already said that ^^ but indeed, I have to learn more of it to mod scripts.dll
