That's garbage, you should have spilled your coffee on his receipt, or at least have scratched his name out on the clipboard.

I got kind of lucky with mine, no lines or anything. This EBGames that was a little out of the way, not too close to any malls or major outlets, got a shipment of 9 in at 11:00. I strolled down at 11:30 and was in and out within 3 minutes with my Wii
