Subject: Latest version of brenbot with SSAOW and core patch 2?
Posted by Alkaline on Mon, 01 Jan 2007 01:33:52 GMT

Is their a brenbot out that works with SSAOW as well as core patch 2? If somone can point me in the right direction I'd really apperciate it... searching came up with too many tangents that don't seem to be getting me any where.
