ROFL, you have admitted to be before you used big bodies beacons, and running around in diff server using em, when I told you over msn I was posting the SS of you admitting those things to me, you said:

And it wasnt 1 night, because you told me that you used other dmg hacks, and 14 sent me a SS of him in a randow aow serv with 60/0, and I saw the big beacon thing in the back, so you and sharpiei have been cheating for some while....GG
