I have Austin Power's "Yeah Baby, Yeah!" for my replacement boink. I've had it for about a year now, and it's great. It's funny...once on Walls_Flying, when our airstrip was destroyed (I was on Nod), I stole a GDI APC, and therefore had the last remaining vehicle in the game. GDI lost everything but its barracks. They kept taunting, saying stupid things like "Come on Nod, come and kill us". So, I loaded as many as I could in my APC, and a huge line of infantry followed behind. Once I went into the GDI base, there were infantry EVERYWHERE. On top of the warfactory, in the tunnels, on top of the barracks, etc. So, I shot all them down, and most of my infantry ran into the barracks. Then GDI blindly started running from the WF to the barracks.

"Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!". There was some more, but that's a brief summary .
