I asked politely for this one particular line of discussion to end, and now you are trying everyone's patience. I really don't want to have to take matters any further than this. We do NOT want to discuss the Spooky/me situation any further. Why is that so hard to understand? I'm REALLY REALLY tired of fighting with people. Usually most people have enough respect to understand that you obey the mods and admins. It's a simple concept, but it's lost on too many people.
