Silent Kane wrote on Wed, 17 January 2007 17:08gamemodding wrote on Wed, 17 January 2007 17:19BHS need to actually think about how they are going to implement rengaard. when/if/if im still alive when RG 1.4 comes out ill show you how easy it is to bypass. and this is me thats doing it. thats saying something, i never any good at that sort of stuff.

there are other things that made me not trust BI, as a result, i don't trust BHS either. You could simply be mature and inform BHS about your "working" bypass.

LOL!
