Scrscoer wrote on Thu, 18 January 2007 08:23: Cheat?? I look at it as a great way to catch cheaters. Instead of having to scroll up on irc hoping to catch it its right there.

Little problem, though. What if you see someone kill someone else with a Repair Gun(Weak)? OMG FINAL REN!!!111 -- NO, they probably just ran into a proxy c4, but there is no way (and should be no way) to check that ingame. That's what moderators in IRC are for (and where this script should actually go).
