so its ok to come on the pitts and get "teamwork" and lay 5 or so beacons in the tunnel(if you played this map in the rotation and allowed this) and not hear you bitch and moan about it?

btw i think we are all talking about the 1 person beaconers...

they lay one beacon damage it then lay another 5 mins later....where is the team work in that... plz tell me..

it 2 or 3 layed it well done n00bs working in a team how great

its a cheap tatic to win

and so what if WS said its ok..WE dont
