All I have to say to this is, your a fucking idiot.
please, destroy your computer and stay off the internet.

Hark at ye!!

Spetsnatz!! or whatever you wish to call yourself now. You threatened to crash the MP-server if I am not mistaken????

OOPps sorry, you posted Reborns name and address on the internet? Yet you call a player "a fucking idiot"?

Proof, I have. Deny it! well thats your perogative. Oh yes it was a few years ago, did you believe that players would forget?

"your a fucking idiot.
please, destroy your computer and stay off the internet".

ROFL, thats good stuff. Watch him not reply here no more
