Blazer wrote on Sat, 20 January 2007 03:33 Brightly colored c4 skins are the biggest advantage. This is coming from someone who dies from C4 blasts all the time, and who always tries to kill people with timed c4. I get owned all the time by C4 on the ceiling etc where its so hard to see, and this is by design...how it's supposed to be. People with bright throbbing c4 skins see it a mile away and always avoid it...huge advantage.

Well, you suck.
