And quiet frankly nobody cares about you Teh-Pwnerer, yea I might have a shitty IRCd host, and its funny that you are the 1 trying to host IRCd when u dont know What it means.

You have nothing to do with this, You have NO BUSINESS to count on. You lie. You Steal. You are a pathetic loser.

Nobody cares about ur problems or about you here kid.

You know nothing about how to run a IRCd server, nor a IRC Bot, Which you claim that you are the 1 that made scripts for you, Im the 1 that made scripts for you. You went and pussied out, just because you are jealous about other things, that I will not mention.

What does a IRCd stand for loser?

What is a mIRC Script?

Your the gay owner of a server hosting company that DOES NOT pay for anything theyre selves. You sweet talk your daddy, which You dont even do. I know about ur problems that you have had, taking thousands of dollars from your dad.

Thats not right to do to your family.
