Yeah, using my very well known past against me. Everyone knows it! Make new disses, cause honestly, I just can't wait to see DubServer going down..

Oh, I sweet talk my dad?

Hmm, how are you paying for your servers? How did nightma first start? (Nightma, don't be offended, its an example, ive been there lol!)

I don't lie. Prove it.

I don't steal. Prove it.

I am a pathetic loser? Yeah sure, I created literally 100's of worthless clans that died in about a week.

Not mentioning what I am jealous about? Hmm, cause you don't have the slightest clue of what I am jealous about. Nothing it has to be about the internet..

I am legitment right now. I have been for a couple of months. Even ask fl00d3d how I managed to stop cheating. I have the god damn balls to come here and talk about my past, and admit it, you don't have any, cause you come here, and flame my past that has been better than yours.

Your sadder then troopr02 (Ok maybe not that low, he managed to keep a clan up for a while, you haven't)

Thanks for letting me even download my old files.. No more flames? Oh why? We shut you up? Your community is going to be fucked like all the older ones. Your having ex-rencorner cheaters being moderators on your servers. How does that feel? You come on these forums, thinking your the shit, and all that. When in fact, you and all your cocksucker friends are going to fuck you over, like they did to me. So have fun.

P.S. - Flame me some more will ya? "OhZ omz GOD! LOL ITZ TP, H4XZ0R FOR LIFE!!! HEZ GOING TO H4X ON URE SERVEZ!"

Honestly. You have no life, no ability to hold any weight, your a sad little kid.

Im a sad little kid? Rofl k, Im not the 1 spending \$10,000(WITH YOUR OWN DADS CREDIT CARD). Lieng about EVERYTHING THAT GOES ON.

You are not helping SBot, you are only helping him with what the dialog should show up as, Like colors and other stuff that he wouldnt really need help with, for 1 you dont know any C++, I dont

either, Doent make a difference about how pathetic you are lieng about everything.

And 1 more, You have no life kid, Your on PC time you get back from JUNIOR HIGH, until 10:30PM-11:00.

Wow, honestly. I don't lie, ok, grow up. I have admit EVERYTHING to possible everyone that has accused me of shit. Ask fl00d3d, I admit to cheating, and a whole bunch of stuff. Ask him for logs.
