yeah he never said he had abrother until he cheated, plus, mjjwannab3 is him, i was talking to him in irc, and i was like stop using different names, he was like i use different names if i want, why does it bother you?

(its because he keeps trying to be a new user, he came to my clan channel and goes whats CTT stand for? ect, asking noob questions.)

As for you gimán, I must say, You suck at computers, as i could change my ip right now, at my computer, so shhhh, and also i know much more about computers, anyways stop trying.
