it's a quote from Jesus...he was preaching about a worker that hired people at different times of the day...but at the end of the day he paid them all the same. "Dont I have the right to do what I want with my own money? or are you envious because I am generous?"

Liberals dont want anyone to spend money they dont have. if the government cant control their spending...then you cant blame that on the liberals. The bottom line is that the money goes to help keep those kids alive...and we should do everything we can to keep those that are on this earth alive. As Rublicans, who are typically against abortion, you should respect that.
