I will once you stop stealing money from people and running your bullshit "community" thats only their for donations, im suprised your going as far to host a 300+ ping server for them after getting all that money for free

Stone: You mean 1vs1 between [ZT] and [+TRPM+] when [ZT] are convicted cheaters (INCLUDING THE LEADER, rofl). And I posted everything, right after I did that, [ZT] dies? Coincidence? I think not, [ZT]=OWNED
