Stone: You mean 1vs1 between [ZT] and [+TRPM+] when [ZT] are convicted cheaters (INCLUDING THE LEADER, rofl). And I posted everything, right after I did that, [ZT] dies? Coincidence? I think not, [ZT]=OWNED

btw, im guessing Jd has seen/read this topic and prob wont come back

Name a fucking list of people I stole money from.

I never hosted a server that has 300+ ping. It is basically impossible if your getting it from a datacenter from theplanet. Me and nightma basically have the same type of connection, and you dont complain of his? Idiot

BTW, You have a "bullshit" clan.

Go fuck yourself.

BTW, ONLY CAUSE YOU HAVE 300+ PING AND 56K DOESN'T MEAN EVERYONE ELSE DOES. IDIOT.
