13:48Yeah, they got lucky getting to the Superbowl with ONLY a one-sided team

cough 2000-2001 Baltimore Ravens *cough*

WHOA! I don't think so, buddy. I'm a proud Baltimore native and I can DEFINITELY say they didn't get to the Super Bowl by LUCK.

(Can you say 1,364-yard rushing season?). And you forget that our defense is ranked BEST in the NFL. The Ravens broke two Chicago Bears records...which says that the Bears are GOOD, (but the Ravens are better). The year that we made it to the SuperBowl, we had a 12-4 record. I don't call that luck. We won 34-7...and I also wouldn't call that luck. I'd say that's a good offense AND defense. We have Steve McNair, one of the best QB's in the biz. Granted, our baseball teams sucks...but the Ravens are excellent, a highly favored team and certainly not one-sided.
